From approximately 2005 to 2012, I have served as a volunteer mediator as part of settlement week in the United States District Court for the Southern District of Ohio. I do not have any notes or recollection of any of those cases.

b. Describe:

- i. the general character of your law practice and indicate by date when its character has changed over the years.

As a law clerk from 1997 to 1998, I helped prepare Judge Holschuh for proceedings in the courtroom and assisted him in drafting opinions.

From 1998 to 2012, my law practice was in all types of civil and commercial litigation in both state and federal trial and appellate courts. I had a diverse practice, including complex environmental cases, employment discrimination suits, business divorces, construction disputes, product liability cases, and class actions. I wrote briefs, motions and research memoranda. I conducted depositions, hearings and trials. I also represented clients before the Ohio General Assembly.

From 2012 to 2016, I was the general counsel and chief ethics officer for Ohio's monopoly workers' compensation insurer. My practice required me to provide a full range of legal services to a state agency that is also one of the largest underwriters of workers' compensation insurance in the country. I advised the senior team on legal and ethical issues, policy and legislative activity, and provided counsel on human resources and EEO issues. My responsibilities included development and implementation of policy and negotiation of contracts. I managed litigation and outside counsel. I led the legal department of 80 staff (including 45 attorneys) and the special investigations department of 123 staff.

Since 2016, although no longer in a strictly legal position, I put forth a budget that includes policy changes to the Ohio Revised Code and I make recommendations to the Board of Directors regarding changes to the Ohio Administrative Code to achieve the policy outcomes that I and the board deem appropriate to further the agency's mission.

- ii. your typical clients and the areas at each period of your legal career, if any, in which you have specialized.

From 1998 to 2012, my typical clients were privately owned businesses and business professionals, as well as government agencies and elected officials. I also represented corporations and individuals. The cases on which I worked were similarly mixed.

From 2012 to the present, my client is the Ohio Bureau of Workers' Compensation.

- c. Describe the percentage of your practice that has been in litigation and whether you appeared in court frequently, occasionally, or not at all. If the frequency of your appearances in court varied, describe such variance, providing dates.

From 1998 to 2012, my practice consisted almost entirely of litigation. I prepared motions and briefs, I took and defended depositions, and I appeared occasionally in court.

From 2012 to 2016, I appeared in court a few times as the client representative.

- i. Indicate the percentage of your practice in:

- 1. federal courts: 45%
- 2. state courts of record: 50%
- 3. other courts: 0%
- 4. administrative agencies: 5%

- ii. Indicate the percentage of your practice in:

1. civil proceedings: 100%
2. criminal proceedings: 0%

- d. State the number of cases in courts of record, including cases before administrative law judges, you tried to verdict, judgment or final decision (rather than settled), indicating whether you were sole counsel, chief counsel, or associate counsel.

Excluding cases that settled before trial or were resolved on a motion for summary judgment or other dispositive motion, I have tried six cases to verdict, judgment, or final decision, two as sole counsel, three as chief counsel, and one as associate counsel.

- i. What percentage of these trials were:

1. jury: 16%
2. non-jury: 84%

- e. Describe your practice, if any, before the Supreme Court of the United States. Supply four (4) copies of any briefs, amicus or otherwise, and, if applicable, any oral argument transcripts before the Supreme Court in connection with your practice.

I have never appeared before the Supreme Court of the United States.

17. **Litigation:** Describe the ten (10) most significant litigated matters which you personally handled, whether or not you were the attorney of record. Give the citations, if the cases were reported, and the docket number and date if unreported. Give a capsule summary of the substance of each case. Identify the party or parties whom you represented; describe in detail the nature of your participation in the litigation and the final disposition of the case. Also state as to each case:

- a. the date of representation;
 - b. the name of the court and the name of the judge or judges before whom the case was litigated; and
 - c. the individual name, addresses, and telephone numbers of co-counsel and of principal counsel for each of the other parties.
1. *State of Ohio v. The Shelly Company*, No. 07CV9702 (Franklin Cty. Common Pleas Ct. 2007); *on appeal*, 135 Ohio St.3d 65 (Ohio 2012).

This case was an environmental enforcement action brought in a multi-count complaint alleging violations of air permitting laws. I joined the case as the chief trial counsel late in the discovery process. Following a lengthy bench trial that included more than 1000 exhibits, Judge Schneider issued a 100-page decision finding for the

Shelly Company on most of the claims and with a judgment against Shelly on some claims. The Ohio EPA had sought over \$3 million in civil penalties, and the judgment against Shelly was for approximately \$300,000. The case was subsequently appealed to the Tenth District Court of Appeals and the Ohio Supreme Court, and I assisted with the briefing in both appeals. The case was presided over at the trial level by Common Pleas Court Judge Charles Schneider.

18. **Legal Activities:** Describe the most significant legal activities you have pursued, including significant litigation which did not progress to trial or legal matters that did not involve litigation. Describe fully the nature of your participation in these activities. List any client(s) or organization(s) for whom you performed lobbying activities and describe the lobbying activities you performed on behalf of such client(s) or organizations(s). (Note: As to any facts requested in this question, please omit any information protected by the attorney-client privilege.)

In addition to the 10 most significant litigated matters discussed above, some of the other significant legal activities that I have pursued include:

While serving as General Counsel for the Bureau of Workers' Compensation, I was heavily involved in a case captioned *San Allen, Inc., et al. v. Buehrer, Administrator, BWC*, Cuyahoga County Case No 07-644950. This was a class action brought against the Bureau regarding its group rating program by a group of private employers. The case was tried before I started at the Bureau. Shortly after I joined the agency, the Honorable Judge James J. McMonagle issued a judgment in favor of the plaintiff class for \$850 million. I then led outside counsel through the appeal, which reduced the judgment by approximately \$230 million. I subsequently negotiated a settlement of the case and the Bureau paid out approximately \$400 million.

While in private practice, I frequently served as Ohio local counsel in both federal and state court for lawyers and law firms from New York, New York, Washington, D.C., Nashville, Tennessee, and other jurisdictions.

I also served as counsel for an independent committee of directors of a major publicly held corporation charged with evaluating the fairness of settlements in multiple derivative actions.

I currently lobby the Ohio legislature on behalf of the Ohio Bureau of Workers' Compensation. Those activities include testifying before the Ohio General Assembly, corresponding with legislators, and related work.

For 15 years, I was legislative counsel to the Association of Municipal/County Court Judges. During the course of that representation, I drafted legislation, testified before the Ohio General Assembly, advised the Board of Directors on non-profit issues, and represented the Association on two cases at the Ohio Supreme Court.

Additionally, at various time periods while in private practice, I was a registered legislative agent for Scioto Downs, Inc., Manheim Services Corp., NiSource, and Health Care Advocates for Free Speech.

19. **Teaching:** What courses have you taught? For each course, state the title, the institution at which you taught the course, the years in which you taught the course, and describe briefly the subject matter of the course and the major topics taught. If you have a syllabus of each course, provide four (4) copies to the committee.

None.

20. **Deferred Income/ Future Benefits:** List the sources, amounts and dates of all anticipated receipts from deferred income arrangements, stock, options, uncompleted contracts and other future benefits which you expect to derive from previous business relationships, professional services, firm memberships, former employers, clients or customers. Describe the arrangements you have made to be compensated in the future for any financial or business interest.

My husband was a partner in Government Advantage Group, a lobbying firm located in Columbus, Ohio. When he retired in December 2015, he negotiated a separation agreement with the business. The separation agreement contained a structured buy-out. When my husband died, I became the obligee under the separation agreement. I expect that the payments will continue through December 2018.

21. **Outside Commitments During Court Service:** Do you have any plans, commitments, or agreements to pursue outside employment, with or without compensation, during your service with the court? If so, explain.

No.

22. **Sources of Income:** List sources and amounts of all income received during the calendar year preceding your nomination and for the current calendar year, including all salaries, fees, dividends, interest, gifts, rents, royalties, licensing fees, honoraria, and other items exceeding \$500 or more (if you prefer to do so, copies of the financial disclosure report, required by the Ethics in Government Act of 1978, may be substituted here).

See attached Financial Disclosure Report.

23. **Statement of Net Worth:** Please complete the attached financial net worth statement in detail (add schedules as called for).

See attached Net Worth Statement.

24. **Potential Conflicts of Interest:**

- a. Identify the family members or other persons, parties, categories of litigation, and financial arrangements that are likely to present potential conflicts-of-interest when you first assume the position to which you have been nominated. Explain how you would address any such conflict if it were to arise.

If confirmed, I will recuse in any litigation where I have ever played a role. For a period of time, I anticipate recusing in all cases in which the Ohio Bureau of Workers' Compensation is a party. I would also recuse myself in any cases involving Government Advantage Group, though I am not aware of that company having any litigation matters in federal or state court. I will evaluate any other real or potential conflict, or relationship that could give rise to an appearance of conflict, on a case by case basis and determine appropriate action with the advice of the parties and their counsel including recusal where necessary.

- b. Explain how you will resolve any potential conflict of interest, including the procedure you will follow in determining these areas of concern.

If confirmed, I will carefully review and address any real or potential conflicts by reference to 28 U.S.C. § 455, Canon 3 of the Code of Conduct for United States Judges, and any and all other laws, rules, and practices governing such circumstances.

25. **Pro Bono Work:** An ethical consideration under Canon 2 of the American Bar Association's Code of Professional Responsibility calls for "every lawyer, regardless of professional prominence or professional workload, to find some time to participate in serving the disadvantaged." Describe what you have done to fulfill these responsibilities, listing specific instances and the amount of time devoted to each.

While in private practice, I volunteered in the Pro Bono Tenants' Advocacy Project at the Franklin County Municipal Court for indigent people who were being evicted from their residences. In addition, I have been appointed counsel on a pro bono basis in both the U.S. Court of Appeals for Veterans Claims and in the U.S. District Court for the Southern District of Ohio. Because I have not been in private practice since 2012, I am not able to estimate the amount of time that I devoted to these matters.

I have also engaged in work to improve the legal system, service recognized as important by the American Bar Association's Model Rule 6.1(b)(3), by donating my time to service on the Southern District of Ohio Local Rules Committee, the Committee to Review

Appointment of Magistrate Judge Kemp, and the Supreme Court Commission on Professionalism.

26. **Selection Process:**

- a. Please describe your experience in the entire judicial selection process, from beginning to end (including the circumstances which led to your nomination and the interviews in which you participated). Is there a selection commission in your jurisdiction to recommend candidates for nomination to the federal courts? If so, please include that process in your description, as well as whether the commission recommended your nomination. List the dates of all interviews or communications you had with the White House staff or the Justice Department regarding this nomination. Do not include any contacts with Federal Bureau of Investigation personnel concerning your nomination.

In March 2017, I learned that the two Ohio Senators (Senator Rob Portman and Senator Sherrod Brown) had announced that they were accepting applications for a vacancy at the United States District Court for the Southern District of Ohio. I reviewed their press release and began to prepare my application. I submitted my application to Senator Portman's office in April, 2017.

There is a selection commission in Ohio to recommend candidates for nomination to the federal courts. I interviewed with the commission on August 23, 2017. At the end of its work, the Commission recommended my nomination along with five others to Senators Portman and Brown.

I interviewed with Senator Portman on September 17, 2017. On September 29, 2017, Senators Portman and Brown issued a press release in which they jointly recommended me for the vacancy in Columbus, Ohio.

In October 2017, I was contacted by the Office of the White House Counsel to schedule an interview in Washington, D.C. On October 12, 2017, I interviewed with attorneys from the White House Counsel's office and the Office of Legal Policy.

Since then, I have periodically communicated with individuals in the White House Counsel's Office and the U.S. Department of Justice. On April 12, 2018, the President submitted my nomination to the Senate.

- b. Has anyone involved in the process of selecting you as a judicial nominee discussed with you any currently pending or specific case, legal issue or question in a manner that could reasonably be interpreted as seeking any express or implied assurances concerning your position on such case, issue, or question? If so, explain fully.

No.
